ÖZEL KAPLAMA  
CUSTOM COATING

Müşteri isteğine bağlı olarak ürünlerin dış yüzeyine ürün ömrünü daha da arttıracak özel kaplama uygulanabilmektedir.

Depending on customer request, custom coating can be applied on the outer surface of products to increase the products validity.

Dependiendo de la solicitud del cliente, se puede aplicar un recubrimiento especial a la superficie exterior de los productos, lo que aumentará aún más la vida útil del producto.

В зависимости от запроса клиента на внешнюю поверхность изделий может быть нанесено специальное покрытие, которое еще больше увеличит срок службы продукта.

تحت طلب الزبون ومن اجل زيادة العمر الافتراضي للشكل الخارجي للمنتج يتم طلاء المنتج بمواد خاصة.
